#	Cycle Ciclo	PhD student Dottoranda/o	Research project title Titolo del progetto di ricerca	Co-supervisors Co-supervisor
(a) Supervisor/Supervisore				
1	XXXVIII	Muhammad Tayyab Khan	<i>Developing a forestry sector model for Italy: material flow, economic impacts and related carbon sequestration and energy substitution effects</i>	Prof. Davide Pettenella
2	XXXVIII	Alessandra Santini	<i>Ecosystem approach and nature-based solutions for climate crisis adaptation of Land Irrigation Authorities of Veneto Region</i>	Prof. Davide Pettenella
3	XXXVI	Giovanni Bausano	<i>An investigation of the role played by EU policy framework to halt deforestation and forest degradation embedded in commodities supply chains.</i>	Prof. Davide Pettenella Dr. Paul Rogieux (JRC) Dr. Mirco Migliavacca (JRC)
4	XXXVI	Maja Radosavljevic	<i>Integration of the EU timber regulation requirements into the forest policy framework of selected western Balkan countries: A multiple case study analysis for Slovenia, Croatia, Serbia, Montenegro, and Bosnia and Herzegovina</i>	Dr. Todora Rogelja Prof. Branko Glavonjić (Belgrade University)
5	XXXV (concluso)	Federica Romagnoli	<i>Adaptive strategies and community resilience after climatic events: the case of Vaia storm in Italy</i>	Prof. Stefano Grigolato
6	XXXIII	Giulia Muir	<i>The role of non-wood forest products (NWFPs)/ Wild Forest Products in shaping innovative and nutritious food systems</i>	Prof. Davide Pettenella
(b) Co-supervisor/Co-supervisore				
1	XXXIX	Silvia Marchesini	<i>Wastelands: Towards a Temporary Project of Infrastructure Space</i>	Prof.ssa Catherine Dezio
2	XXXVI	Anna Biasin	<i>Nature-based solutions for urban sustainability, resilience and wellbeing in Europe: is there room to scale-up private finance?</i>	Prof. Davide Pettenella
3	XXXIV	Akbar Hossain Kanan	<i>Analysing Change Dynamics of Mangrove Forest through remote sensing and geospatial tools for understanding the impact on Ecosystem Services</i>	Prof. Francesco Pirotti Prof. Timo Tokola (University of Eastern Finland)
4	XXXIII	Ilaria Doimo	<i>Wellbeing, forests and innovation in ecosystem services management: developing a framework to identify opportunities and challenges of nature-contact initiatives applied to the Italian case</i>	Prof.ssa Paola Gatto
5	XXXII	Mariangela Soraci (not completed)	<i>Economic evaluations of the changes of soil ecosystems and their services driven by land use/land cover changes</i>	Prof. Tommaso Sitzia
6	XXXII	Aynur Mammadova	<i>Exploring the risks and challenges of addressing deforestation by leather sector. Is Italian tanning industry ready for zero deforestation commitments?</i>	Prof. Davide Pettenella Dr. Jelle Behagel (Wageningen University)
7	XXX	Nicola Andrighetto	<i>Impacts and interaction of political and economic driving forces in the international timber trade. Timber trade patterns in the light of the recent policies to contrast illegal</i>	Prof. Davide Pettenella

#	Cycle Ciclo	PhD student Dottoranda/o	Research project title Titolo del progetto di ricerca	Co-supervisors Co-supervisor
			<i>logging and of the increasing role of multi-functional forest management</i>
